Benvenuti a questa edizione speciale del nostro giornalino scolastico.

Questo numero è il risultato finale del Laboratorio di Inglese tenuto da noi docenti della scuola secondaria per gli alunni delle classi quinte del nostro istituto. Un laboratorio che è durato in tutto sei ore e che ha visto i bambini lavorare insieme per tre incontri nel mese di Novembre.

Lo scopo era quello di farci conoscere e farli appassionare allo studio dell'Inglese, una materia non per tutti semplice e non sempre amata, ma che può diventare divertente da imparare ed apprezzare con la giusta dose

di motivazione, impegno, buona volontà e fiducia in se stessi e in noi docenti, che siamo pronti ad accompagnarvi in questo viaggio per i tre anni della scuola secondaria ormai vicina.

Grazie a tutti gli alunni che hanno partecipato con vivo entusiasmo ed interesse. Siete stati attenti, collaborativi e molto produttivi, i vostri lavori lo dimostrano: well done!

Ci auguriamo di ritrovarvi numerosi il prossimo anno nelle classi prime, per continuare insieme questo percorso appena iniziato.

Buona lettura e a presto!
